12h30 – 13h00	Lunch
Venue	Lecture Room 1
10h30 - 16h30	Teddy Bear Clinic and Child Abuse Workshop
Facilitated by the Teddy Bear Clinic	
<p>The Wits Paediatric Fund is pleased to present the Teddy Bear Clinic Model which was developed with the late Prof Lorna Jacklin.</p> <p>The Teddy Bear Clinic approach is multi-disciplinary engaging all role players involved with child abuse. The workshop will include presentations from a medical perspective, psycho-social support, assessments, legal responses, and community-based outreach (schools and other platforms). The presenters will include: a senior law enforcement officer, medical officer, senior prosecutor, psychologist, social worker, and counsellors.</p> <p>This workshop will provide an overview of child abuse addressing signs and symptoms, management, reporting structures, legislation, interventions, diagnosis, and a deeper understanding of the processes to follow in addressing child abuse.</p>
